<b>Średnica klosza</b>	6 cm
<b>wydajność systemu</b>	2 x 4,5 Watt
<b>Dimensions</b>	H 40 cm   L 70 cm

## Opis

The Vibia Pin 1694 is a wall lamp with two lamp arms. The lamp arms have different lengths and are arranged at an angle of 90 degrees to each other. Both lamp heads can be rotated in both directions at an angle of 45 degrees and tilted outwards by 45 degrees. The light is emitted from the lamp to the wall or ceiling, from where it is reflected into the room. This wall lamp is available in the surfaces black, warm-white, green and cream. All versions are matt lacquered.
