Strumień świetlny w lm	2.207
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Dimensions	H 39 cm Ø 70 cm

Opis

The Vibia Duo 4878 is a ceiling light with surface installation where the natural warm appearance of the oak wood on the inside is combined with the technical refinement of the aluminum metal wrap on the outside. This lamp is available in the following surfaces: white, cream-white and graphite-grey. All versions are matt lacquered. On request, this ceiling lamp is also available with a colour temperature of 4,000 Kelvin white. A version is also available on request that can be dimmed with a Casambi module via Smartphone App.
