Opis

The Catellani and Smith Wa Wa F floor lamp has a height of 190 cm. It is operated with five LEDs, each of which has a colour temperature of 2,700 Kelvin extra warm white. There is a dimmer integrated in the supply cable. Since the arms of the lamp are bendable and adjustable in height, the lighting can be varied individually. The floor lamp is offered in two versions:

- Lamp rod and lamp base nickel-plated
- Lamp rod and lamp base brass

In the nickel-plated lamp, the lamp arms are made of nickel-plated copper, in the brass lamp, they are made of natural copper.
