## Opis

The Marset Ginger 20 A is a wall light with a straight outstretched arm. This arm has a reach of 41 cm and can be swivelled to the side. The lamp shade has a diameter of 19.5 cm and is available in oak or wenge finish. The inside of the shade is white in both versions. The light is directed by an LED below the shade to the inside of the shade and reflected from there into the room. The wall lamp is available in two versions: with a plug lead and with a direct connection for wall mounting. The version with plug-in lead has a stepless dimmer on the lead.. The version with connection via wall mounting can be dimmed on site.
