

Vistosi

Damasco SP 6 P

Diffusorfarbe

- jasny
- bursztyn

Technical details

Kraj produkcji	 Włochy
producent	Vistosi
projektant	Paolo Crepax
rok	2003
ochrona	IP20
zakres dostawy	Leuchtmittel/Bulb
tworzywo	szkło kryształowe , metal
regulacja wysokości	wysokość ustalona
ściemnianie	na miejscu z funkcją ściemniania
pedestał/wersja	G9
wydajność systemu	6 x 60 Watt (max.)
wysokość całkowita	200 cm
Dimensions	B 80 cm

Opis

The Vistosi Damasco SP 6 pendant lamp has a total of six glass diffusers. These are made of mouth-blown crystal glass, around which threads of melted crystal glass are laid by hand. The three metal rods with the glass diffusers can be individually aligned to each other. The light is emitted through the transparent glass diffusers, at the same time a part of the light also passes through the openings at the end. In addition, many reflections are generated on the surface. The Damasco SP 6 is available in the glass diffuser colours crystal clear and amber. The total height is a maximum of 200 cm, the cables of the pendant lamp can be shortened if required.
