<b>Wskaźnik oddawania barw</b>	>90
<b>Strumień świetlny w lm</b>	800
<b>wymiana żarówek:</b>	na miejscu
<b>dystrybucja światła</b>	bezpośrednio
<b>Dimensions</b>	H 11 cm   Ø 9 cm

## Opis

The Mawa Warnemünde 23 is a ceiling lamp that is also suitable for the bathroom. Only when mounted on flat surfaces does it have protection class IP54, which means that it is protected against dust and splashing water on all sides. It is a surface mounted light for dry and solid ceilings. The patent-protected lock enables a design without screws. Warnemünde 23 is available in glossy chrome and white matt powder-coated surfaces. The lamp is available in other RAL colours on request. An LED with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white is integrated as the light source. The ceiling light can be dimmed on site with a leading edge or trailing edge phase dimmer.
