

Serien Lighting

Jones black

Schirmdurchmesser

- 45 cm
- 34 cm

Technical details

Kraj produkcji	 Niemcy
producent	Serien Lighting
projektant	Uwe Fischer
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, szkło, szkło borokrzemowe, tekstylny
regulacja wysokości	z regulacją wysokości
ściemnianie	Dotknij ściemniacze światła na pątyku
Moc w watach	38 W
LED	łącznie
Wskaźnik oddawania barw	>97
Strumień świetlny w lm	3.500
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Kolor klosz	biały
wysokość abażur	34 cm
świecznika Wymiary	33 cm
wymiana żarówek:	na miejscu

Opis

This Serien Lighting Jones floor lamp can be continuously adjusted in height and thus used for different lighting. The lamp can be adjusted in height via two push button dimmers on the lamp rod. When the lamp rod is pushed upwards, the lamp can be used as a ceiling floodlight, as the light is mainly emitted to the ceiling. In the middle range of the height adjustment, the light is emitted diffusely into the room as well as directly downwards and upwards. When pushed down, most of the light is emitted downwards, ideal for a reading lamp.

The Jones floor lamp comes with an orange glass insert that can be easily inserted into the lamp shade if required. This illuminates the white lamp shade in colour. The lamp can be switched and dimmed via a third push button dimmer on the lamp rod. The lamp is available with two shade diameters: 34 cm and 45 cm. For both lamps, the shade is 34 cm high. The lamp with the smaller shade diameter is height-adjustable from 155 cm to 171 cm, the larger version from 152 cm to 172 cm. A replaceable LED is integrated as a light source if required.
