

Serien Lighting

Curling Suspension Rope Acryl clear / cylindric opal S

Farbtemperatur in Kelvin

- Dim to warm
- 2.700 extra biała ciepła
- 3.000 biała ciepła

Technical details

Kraj produkcji	 Niemcy
producent	Serien Lighting
projektant	Jean-Marc da Costa und Manfred Wolf
rok	2020
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, Szkło akrylowe
regulacja wysokości	wysokość ustalona
ściemnianie	ściemniające z przycinaniem fazy i ściemniaczem z regulacją fazy
Moc w watach	11 W
LED	Łącznie
Wskaźnik oddawania barw	>97
średnica baldachimu	8 cm
średnica klosza	16 cm
wysokość abażuru	6 cm
wymiana żarówek:	na miejscu
wysokość całkowita	15 - 195 cm

Opis

The Serien Lighting Curling Suspension Rope Acryl clear / cylindrical opal S can be individually configured in its total height between 15 cm and 195 cm during installation. This Curling suspension lamp has a shade made of clear acrylic glass and a cylindrical reflector. The light is directed downwards and softly diffused all around by the reflector.

The pendant light Curling Suspension Rope Acryl clear / cylindrical opal S is available with a colour temperature of 2.700 Kelvin extra warm white, 3.000 Kelvin warm white or with Dim to warm function. The version with dim to warm function imitates the dimming behaviour of classic incandescent lamps, which is perceived as pleasant. Here, when dimmed down, the light not only becomes darker but also changes its colour temperature. Thus, the colour temperature changes from 1,800 Kelvin extra warm white to 3,000 Kelvin warm white when dimmed. The Curling acrylic lamp with steel cables is also available with a lamp shade that has a diameter of 22 cm.
