Technical details

Kraj produkcji	 Niemcy
producent	LDM
projektant	Lasch + Prillwitz
ochrona	IP20
zakres dostawy	LED
tworzywo	aluminium, Szkło akrylowe
kolor przewodu	przezroczysty
regulacja wysokości	wysokość ustalona
Moc w watach	32 W
LED	łącznie
Wskaźnik oddawania barw	90
Strumień świetlny w lm	3.232
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	7 cm
wymiana żarówek:	u producenta / w fabryce
wysokość całkowita	120 cm
Dimensions	H 23 cm B 39 cm L 64 cm

Opis

The LDM Wyng Dot is a pendant lamp made of transparent acrylic glass. The acrylic glass is printed with a precise dot grid. The integrated LED provides an even, absolutely glare-free light. During installation, the lamp can be suspended at a downward or upward angle. When the lamp is tilted downwards, the point grid is located on the top and the greater part of the light is emitted downwards. The Wyng Dot is available in white, silver metallic and bronze. Its canopy is always delivered in the matching surface.

The pendant lamp is available in two versions: dimmable on site with a leading or trailing edge phase dimmer or with integrated Casambi module. The version with Casambi module can be dimmed with the Casambi App via Bluetooth using a smartphone / tablet. The ropes of the Wyng Dot can be shortened if required. Special rope lengths are also available on request. The pendant lamp is also offered as Wyng Cube with a square grid on the acrylic glass.
