## Opis

The Knapstein DORA-S has a rotating and tilting lamp head. Joints are integrated on the lamp arm and the lamp base, allowing the floor lamp to be flexibly realigned at any time. The DORA-S floor lamp is available in black and matt nickel. The lamp is switchable and dimmable via a push button dimmer. An LED with a colour temperature of 2,900 Kelvin warm white is integrated into the lamp head as a light source.
