Opis

The Ingo Maurer One From The Heart table lamp was originally intended as a wedding present for a friend of the designer Ingo Maurer. But this table lamp is not only for lovers, but it also provides atmospheric light and is a real eye-catcher in every room. At the heart of One From The Heart, a multi-mirror reflector with protective glass is integrated. Above the heart sits a movable and heart-shaped glass mirror that directs the rays of light and reflects another heart against the wall. Two small crocodiles under the base provide the right balance. This lamp has a cord dimmer with slider and is operated with an integrated LED.
