Opis

The Betec Folium wall lamp is made of powder-coated aluminum and is 190 cm high. The shape of the lamp is reminiscent of a large plant. Classic wall lights make bright. The decor of this lamp takes you on the path of your dreams. As a light manufacture, Betec is not only responsible for brightness, but also wants to create an ambience in which you feel comfortable. The Betec Folium is powered by an integrated LED bulb with a colour temperature of 3,000 Kelvin warm white. The light is emitted from the lamp to the wall and reflected from there into the room.
