Strumień świetlny w lm	1.777,5
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Dimensions	H 20 cm L 116 cm

Opis

The Betec Clarus is ideal for illuminating pictures, menus and music stands. It has a lamp head that can be rotated around its own axis and that can illuminate a picture without glare. The picture light offered here is 116 cm long and has a projection of 11 cm (bracket type 11). The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting.

The Betec Clarus 116 cm is available in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. The scope of delivery includes a mounting set with which the lamp can be easily attached directly to a picture or to the wall. As standard, the lamp is available with a colour temperature of 2,700 Kelvin extra warm white. On request, it is also offered with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED features very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. Betec offers the Clarus light in ten other lengths and with a projection of 17 cm or 22 cm.
