Dimensions	H 30 cm L 26 cm

Opis

The Betec Clarus with its rotatable lamp head is particularly suitable for picture, menu and music stand lighting. The picture light is available here with a length of 26 cm and a projection of 17 cm (bracket type 17). The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting.

The Betec Clarus 26 cm is available in the following surfaces: glossy brass, matt brass, chrome, glossy nickel, matt nickel, burnished, matt black, glossy gold and matt gold. With the mounting set, which is included in the scope of delivery, the lamp can easily be mounted directly on a picture or onto the wall. As standard, the picture light is offered with a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED features very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. The Clarus lamp is also available from Betec in ten other lengths and with a projection of 11 cm or 22 cm.
