Głębokość w cm	20
tworzywo	dąb, filc, Lunopal, tekstylny
kolor przewodu	szary
ściemnianie	snur opornik
pedestał/wersja	E27
Moc (maks. W)	15 Watt
LED	łącznie
Średnica klosza	15 cm
wymiana żarówek:	na miejscu
wysokość całkowita	55 cm

Opis

The Domus Fläks Wall Lamp is altogether 55 cm high and has a depth of 20 cm. Its lamp rod is made of oak. Its multi-part lamp shade in white transparent can be opened in different ways. Depending on the position of the lamp shade, different light effects can be created. The lamp shade is made of high-quality Lunopal, a material that Domus has developed especially for its lamp shades and that reminds of fine Japanese paper. It is particularly environmentally friendly and does not fade. The Fläks Wall Lamp has an E27 socket and is operated with a replaceable LED (retrofit). A hand dimmer is integrated on the supply line. The scope of delivery includes a wooden hook with a wool white head surface. A set of five wooden hooks with different coloured heads is offered as an accessory.
