### Opis

The slender silhouette of the Domus Zep 13 Grey impressively combines pure design and innovative technology. From the outside, the lamp is in grey, from the inside in wool white. Two moulded parts made of solid oak surround the end pieces of the pendant lamp.

The Zep 13 is suspended with two cables, during installation the total height can be set individually. The pendant lamp provides uniform illumination and absolute glare-free lighting. A power-efficient, dimmable LED with a colour temperature of 2,700 Kelvin extra warm white is included. The integrated LED features very good colour rendering with a high colour rendering index of Ra > 92. The Zep is also offered with a length of 95 cm.
