

Holtkötter

Type T

Oberfläche

- aluminium
- mosiądz
- platyna
- czarny

Armfarbe

- czarny
- sand
- niebieski
- czerwony
- szary

Technical details

Kraj produkcji	 Niemcy
producent	Holtkötter
projektant	Holtkötter
rok	2023
tworzywo	Metall
ściemnianie	kontrola gestow
Moc w watach	15 W
LED #	włzcznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	1800
Temperatura barwowa w stopniach Kelvina	2.200 - 2.850
ochrona	IP20
zakres dostawy	LED
wymiana żarówek:	na miejscu
Dimensions	H 75 cm

Opis

The Holtkötter Type T table lamp is the illuminating highlight for every taste thanks to the numerous possible combinations of surfaces and textile-coated tubes. The lamp can be switched and dimmed continuously using the gesture control. To do this, a hand is held in the sensor area of the gesture control below the reflector. When dimming, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin to 2,200 Kelvin) thanks to the dim-to-warm technology. The last set light intensity is saved using the memory function and automatically reset the next time the light is switched on. This 75 cm high table lamp has a 22 cm long base and is available in anodised brass, black, platinum and matt aluminium. The lamp head, lamp rod and lamp base each have the same finish. The flexibly adjustable lamp arm is available in the colours: sand, red, blue, grey and black.
